

After-School STEM Classes: Learning for All! Sign up today!

Get a head start on important learning, and *have fun doing it*.
After-school classes eight Fridays starting the week of Jan 15.
Right at your school, right after school!
Choose from age-appropriate options for ongoing learning:

Fun With Computers

Grades 1-3

A computer playground for kids still learning reading, mouse and keyboard skills.

- Learn basic computer skills
- Early coding exercises
- Team and group play
- Parents welcome!

Math Team

Grades 4-5 at elementary schools
Grade 6 at MCMS, Tuesdays

For all kids who want to build skills and deepen enthusiasm for math, logic, and problem-solving!

- Share ideas and insights
- Custom explorations
- Five competitions
